MADE BY OFFICE EMPIRE

Stylish
Chair

Each and every chair is designed to bring about personal comfort and ergonomic support to your back.

Exquisite
Tables

Work table is often the most important item in the office as it tells much about the user thru its design, colour, shape and size. Over here, we have countless of variations as each and every piece of work table is custom-cut and made according to your requirements.

Functional
Cabinets

Storage spaces are essential in the office as it's supposed to blend in well and serve its purpose as well. Therefore, all cabinets are custom-made to the required style and size, which includes swing, sliding and vertical filing cabinets.

Versatile
Partition

We take most pride in our system partition as we have developed a strong range of partition varying from 28mm, 40mm, 60mm and 80mm thickness and having 3 standard partition frame colours of White, Silver and Dark Grey.

Ergonomic
Series

Office Empire offers a full range of ergonomic series accessories, such as monitor holder, keyboard holder, backrest support, leg and shoulder support. These items are carefully designed to provide maximum support for the users.

Meeting
Chair

A conference table is often the identity of the company where board meetings are being held and therefore the shape and design are as important as its functions. We have a huge range of meeting tables to choose from and different variations to bring out each and every company's requirement.
